

22 NBT 23

I've a feeling
we're not in Kansas anymore.

Hauntingly beautiful seductive temptation.

DRACULA

Sparkling holiday cheer, warmth and delight.

THE NUTCRACKER

Soulfully romantic love and stormy heartache.

BLUE UNTIL JUNE

Over-the-rainbow imagination and optimism.

THE WIZARD OF OZ

22 NBT 23

Art fosters creativity and hope. At Nevada Ballet Theatre we have always reveled in our role to make the world a more interesting and more optimistic place. Even when skies turn dark we embrace the challenge to illuminate colorful new vistas that will delight and amaze. In that spirit, our 2022-23 Season will celebrate the beauty of our art form, the daring exploration of new horizons, and the simple pleasures of home. We hope that you will join us for this wonderfully eclectic, brilliantly imaginative adventure ahead.

DRACULA

DRACULA

Music by Franz Liszt
Choreography by Ben Stevenson, O.B.E.

Ben Stevenson's *Dracula* fills the stage with eerie gothic grandness, from its costumes and sets, to the glorious love triangle at the center of its iconic tale. Set to the music of Franz Liszt, this world of sweeping movement, ingenious stage effects, and dark, rich coloring will envelope you in its haunting world of evil temptation and transfix you from first bite.

"Spectacle of an order ballet audiences seldom see today... exquisitely beautiful and atmospheric."

The
NUTCRACKER

THE NUTCRACKER

Music by Peter Ilyich Tchaikovsky
Choreography by James Canfield

NBT's *The Nutcracker* is a magical journey through a larger than life world filled with waltzing flowers, nimble fairies, and moonlit snow. Choreographed by James Canfield, Las Vegas' favorite holiday tradition is filled with glittering holiday cheer as Clara and her handsome Prince travel from the warmth of her family home to a land of toy soldiers, mischievous rodents and exotic visitors from faraway lands.

"Winter's most festive spectacle!"

BLUE UNTIL
JUNE

BLUE UNTIL JUNE

Music from Etta James
Choreography by Trey McIntyre

Plus, George Balanchine's *Allegro Brillante*
and a World Premiere by Sidra Bell

Blue Until June is a striking blend of Trey McIntyre's very athletic, classically based choreography and sultry, vulnerable vocals by the incomparable Etta James. Exploring the American archetypes of romantic love and the inevitable heartache in pursuit of such idealized aims, *Blue Until June* dives headlong into the fantasy we see on screen and hear in song. Rounding out the program, NBT will perform George Balanchine's *Allegro Brillante* and present a World Premiere work by the renowned and groundbreaking choreographer Sidra Bell.

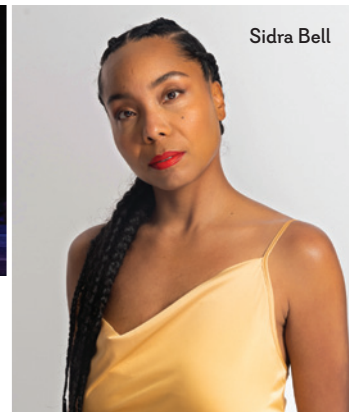

*"An eye opener! Beautifully captures the
innate desperation of the blues."*

THE WIZARD OF
OZ

THE WIZARD OF OZ

Music by Matthew Pierce

Choreography by Septime Webre

The Wizard of Oz is a truly magical ballet, a spectacle worthy of Las Vegas and the perfect finale to NBT's 2022-23 Season. Choreographer Septime Webre, creator of *Alice (in Wonderland)*, has fashioned an eye-popping journey to the Emerald City. Heartfelt and adventurous, *The Wizard of Oz* is chock-full of joyful dancing, fanciful costumes, stellar stagecraft, a wonderful score and, of course, flying monkeys.

"An over-the-top and wildly eclectic production!"

Impacting the Community for Good

NBT's diverse artistic and educational mission is anchored not only by a permanent company of professional dancers, but also by community-supported education programs in local schools and a growing Academy housed in our Summerlin Studios. Because less than 40% of NBT's revenue is covered by ticket sales to our professional company productions, we rely on the generosity of patrons like you to keep our mission thriving.

NBT's **Community Education** programs impact 20,000 students annually by making the arts a part of their lives. Children from across Las Vegas attend free student matinee performances of NBT's professional company productions, and youth from underserved communities receive free in-school dance instruction as well as Future Dance scholarships to attend the Academy of Nevada Ballet Theatre.

Please consider a tax-deductible donation to NBT to support these programs and more. Your gift will ensure NBT can continue to serve Southern Nevada in powerful ways. To learn more about all of NBT's Community Education programs and to explore the many benefits you will receive in conjunction with your generous donation, visit **NevadaBallet.org**.

ACADEMY OF NEVADA BALLET THEATRE

A Commitment to Excellence

The **Academy of Nevada Ballet Theatre** is the official school of NBT and the premier ballet and dance training center of Southern Nevada. Housed in a 36,000 square foot state-of-the-art facility, ANBT offers the highest standard of artistic education taught by distinguished instructors, and the opportunity for students to perform on stage with NBT's professional Company.

ANBT follows a structured sequence of training for students with a desire to focus on classical ballet or who wish to explore a more entertainment-focused and commercial dance path. The Academy's most advanced students are considered for NBT II, a specialized training bridge to NBT's professional company designed for the pre-professional artist looking to build a foundation for a professional career.

ANBT is not only guided by a commitment to excellence, but a belief that dance education is an ongoing process that continues throughout a dancer's lifetime.

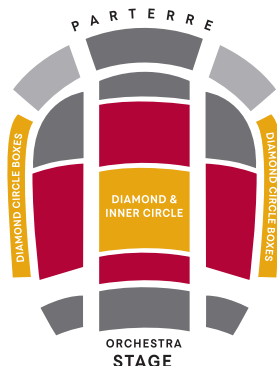

Students may begin their dance education as early as age 18 months as part of the Children's Program, and can continue their arts education well into adulthood with ANBT's Adult Program. ANBT is dedicated to teaching the invaluable skills of discipline, dedication, poise and a life-long appreciation for the arts to all ages. To learn more about ANBT, visit NevadaBallet.org.
